27th June 2023

Dear Mr Mahon

We write to you as ex-Chairman of the Village Hall Management Committee as the management committee is about to be appointed, the Aberffraw Community Council would like it understood that is very much regrets the events of two years ago between the Village Hall Management Committee and the Community Council.

The Community Council would like to reaffirm that the Village Hall Management Committee on its dissolution, handed over a well audited and healthy bank account. Contrary to rumours there was never any money misused. Also, the Village Hall was being very efficiently run with activities taking place every day, sometimes twice daily. The Hall was clean and well maintained.

An error of judgement concerning the publication of the Grapevine newsletter and the Trusteeship combined with the absence of proper communication by the community council partly caused by the pandemic led to the dissolution of the Village Hall Management Committee.

The Community Council would like to wish the Village Hall Management Committee every success and is happy to offer any assistance.

Yours faithfully
